

This document lists out the Annual Screening Providers available in Daman’s Network within UAE.

Under Annual Screening benefit, female members above the age of 35 years can opt for Breast Cancer Screening and male members above the age of 45 years can opt for Prostate Cancer Screening. Colorectal Cancer Screening is applicable for males and females above the age of 40 years.

Daman also covers its members for other inpatient and outpatient services in its network of Health Service Providers (including hospitals, pharmacies, polyclinics, etc.). For more details on the other health service providers, please refer to the Provider Network Directory of your plan on our website www.thiqa.ae. or call us on the toll free number mentioned on your Daman Card, Daman website or digital app.
