B. Requirements for Coverage:

The Orthodontic Specific Examination (01902) requires pre-authorization. (Refer to the above table).

ICD-9 CM codes to the highest specificity are to be reported.

C. Non-Coverage:

Orthodontic Specific Examination will be covered only when billed by Orthodontists for Orthodontic cases and for providing second opinion by the Second Opinion Providers.

D. Payment and Coding Rules

- Please apply HAAD payment rules and regulation and relevant coding manuals for ICD-9, CPT, USCLS, etc.
- SEHA providers cannot bill the code 01902 for less than AED200, as a General Examination, effective: 01.07.2011 service date. On the other hand, the Orthodontists from SEHA facilities can bill for this code, provided 01901, has not been paid /billed before.
- Orthodontic Specific Examination 01902 will not be covered when Orthodontic General

Examination 01901, has already been done by the same Provider before.

4. Chapter 3: Adjudication Examples

Question 1: A claim received from an Orthodontist at a private Dental Centre for a Premier plan card holder has the following details:

ICD 9 CM	524.01	524.01 Maxillary Hyperplasia
USCLS	01902	Orthodontic

How do you proceed?

Answer: We will pay, provided authorization approval is granted and Ortho General examination 01901 has not been paid before.

Question 2: claim received from a dentist at a private Medical Centre for a Thiqa card holder without pre-approval has the following details:

ICD 9 CM	524.01	Maxillary Hyperplasia
USCLS	01902	Examination and Diagnosis, Orthodontic, Specific

How would you proceed?

Answer: The claim will be rejected with AUTH-001, as the service was billed without a pre-approval.

5. Chapter 4: Denial Code:

Code	Code Description
AUTH-001	Prior approval is required and was not obtained.
DUPL-002	Payment already made for same/similar service within set time frame
