

# HOW TO REGISTER AS A MEMBER

Welcome to Daman!

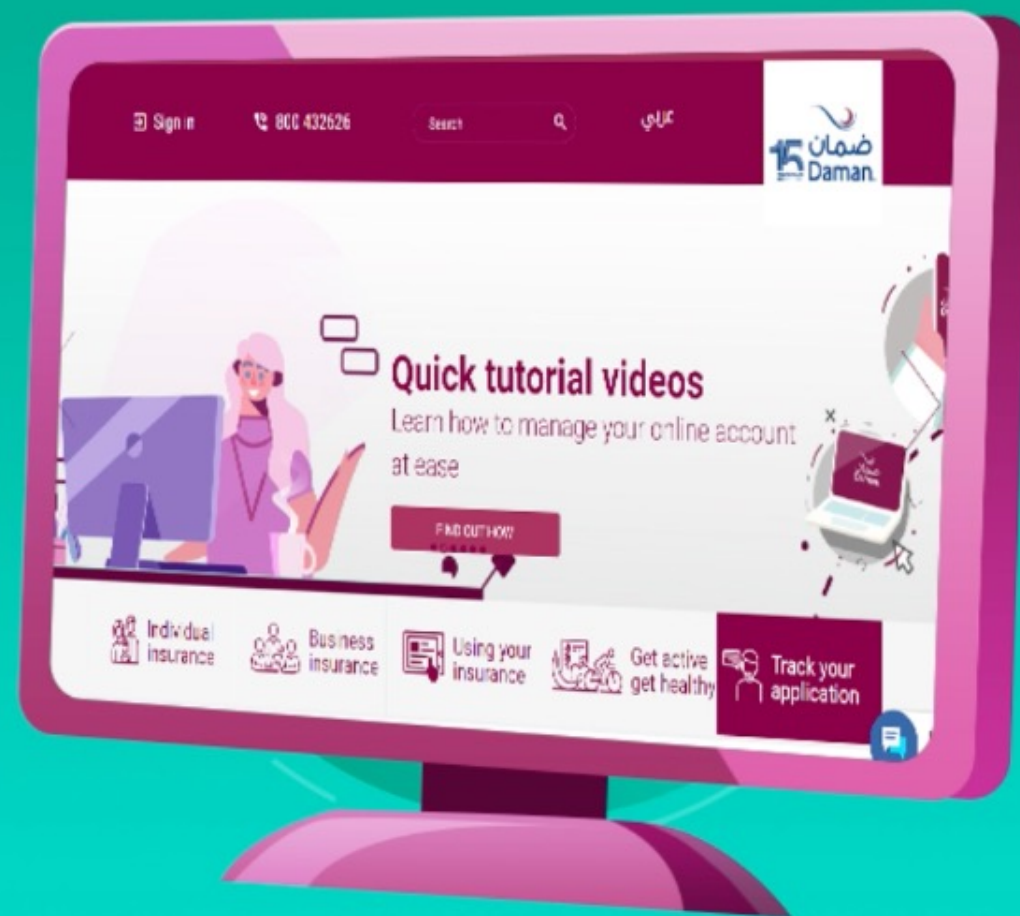

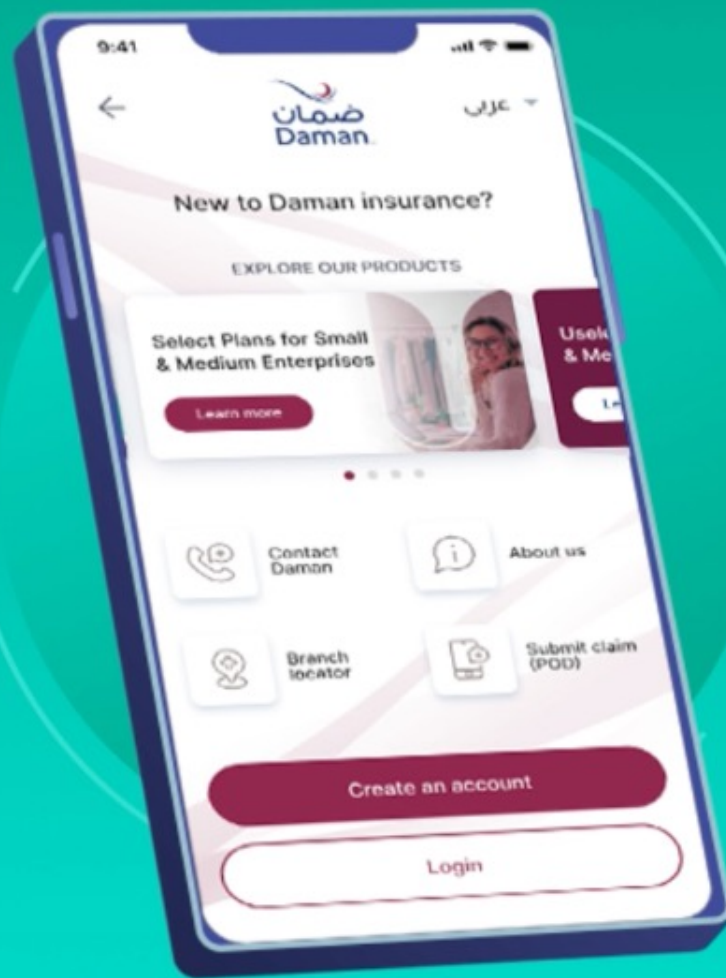

I am going to guide you on how to complete your registration as a member.

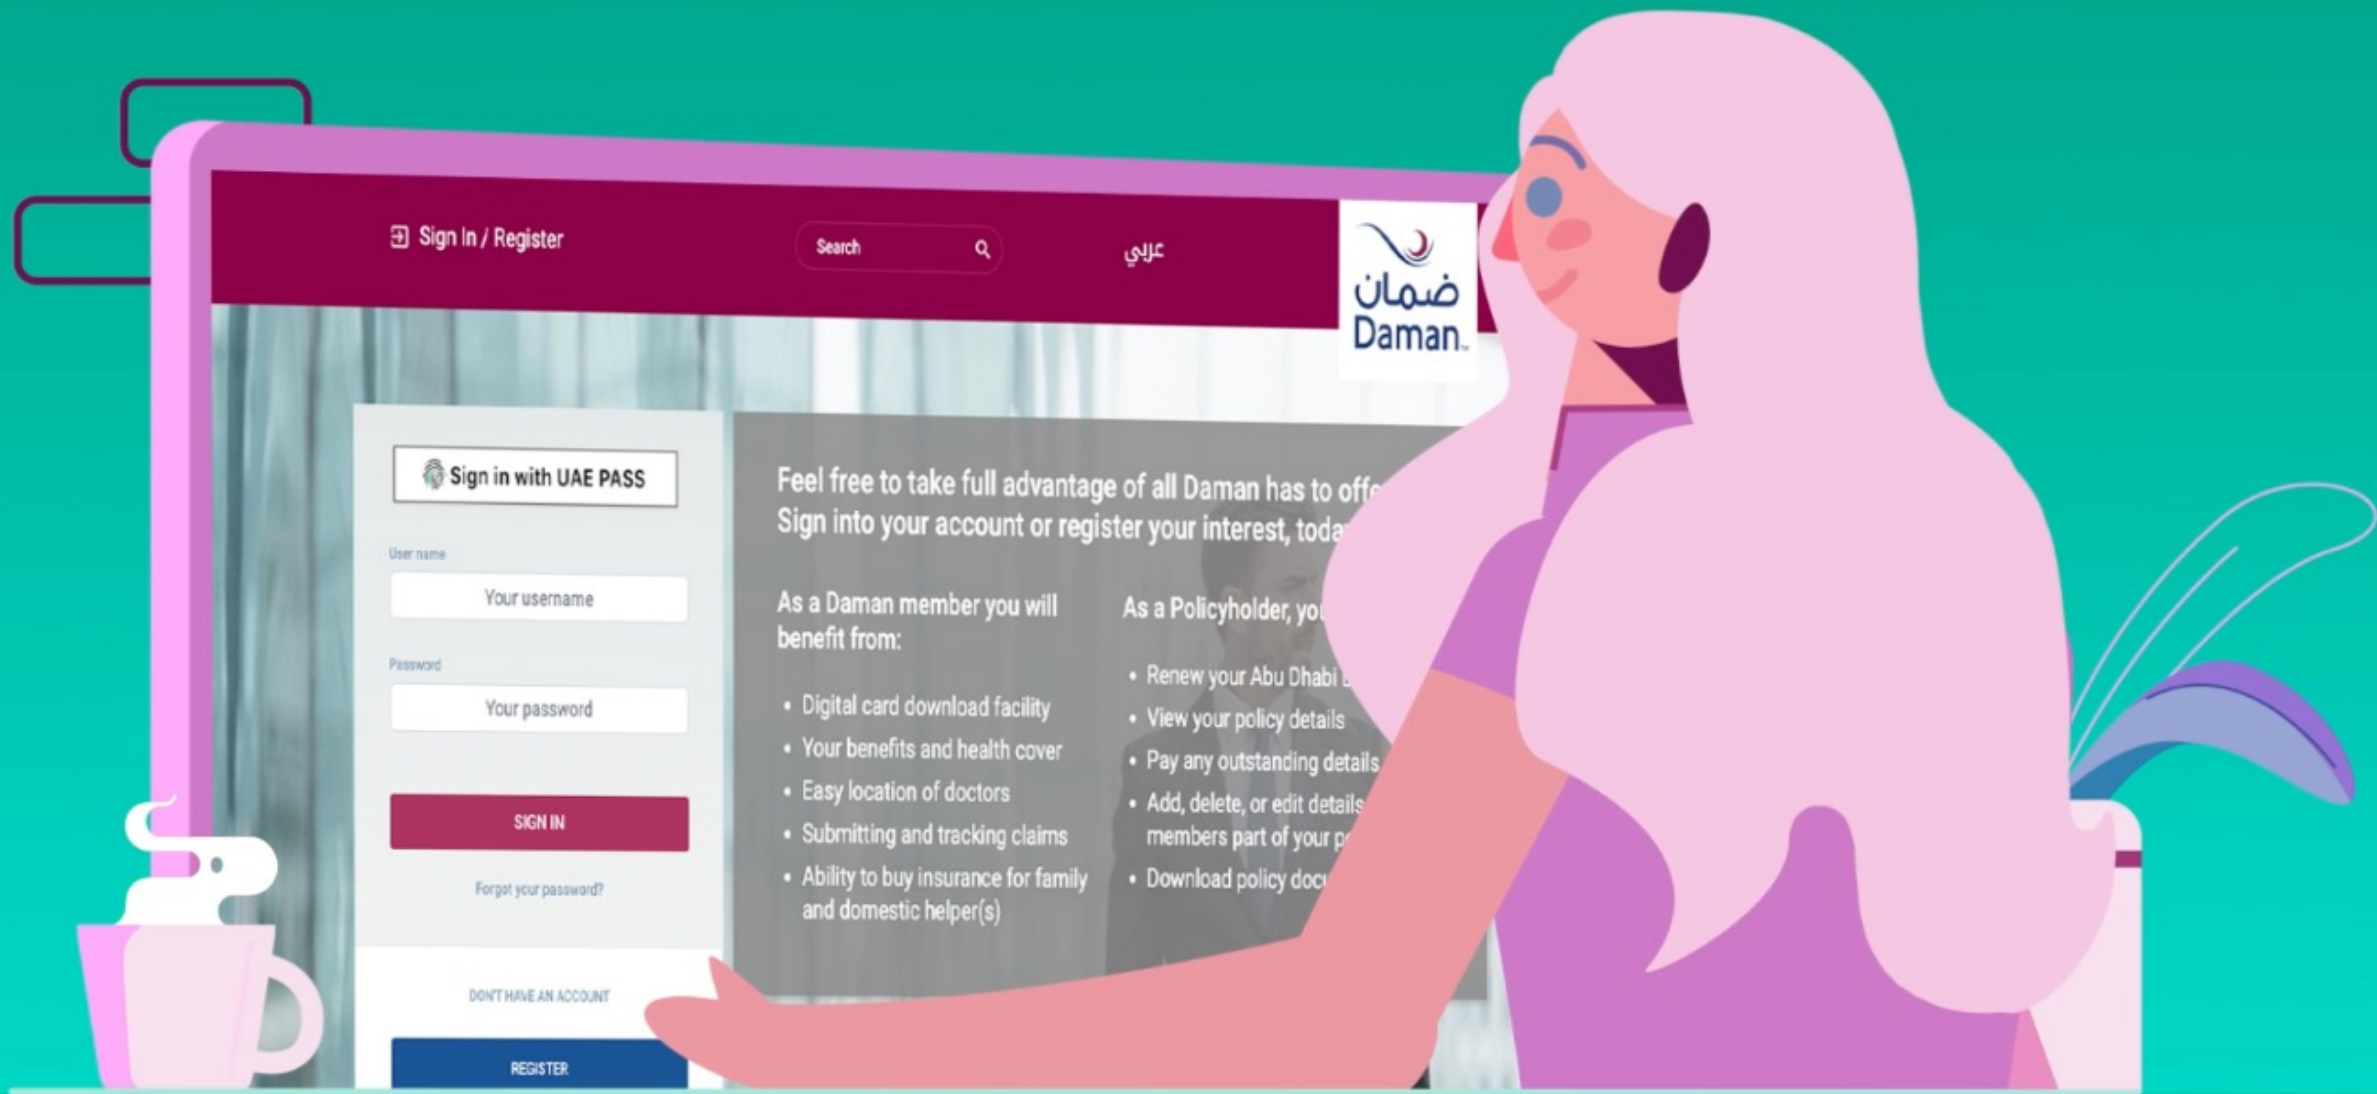

You can easily register to MyDaman wherever you are by visiting [www.damanhealth.ae](http://www.damanhealth.ae)

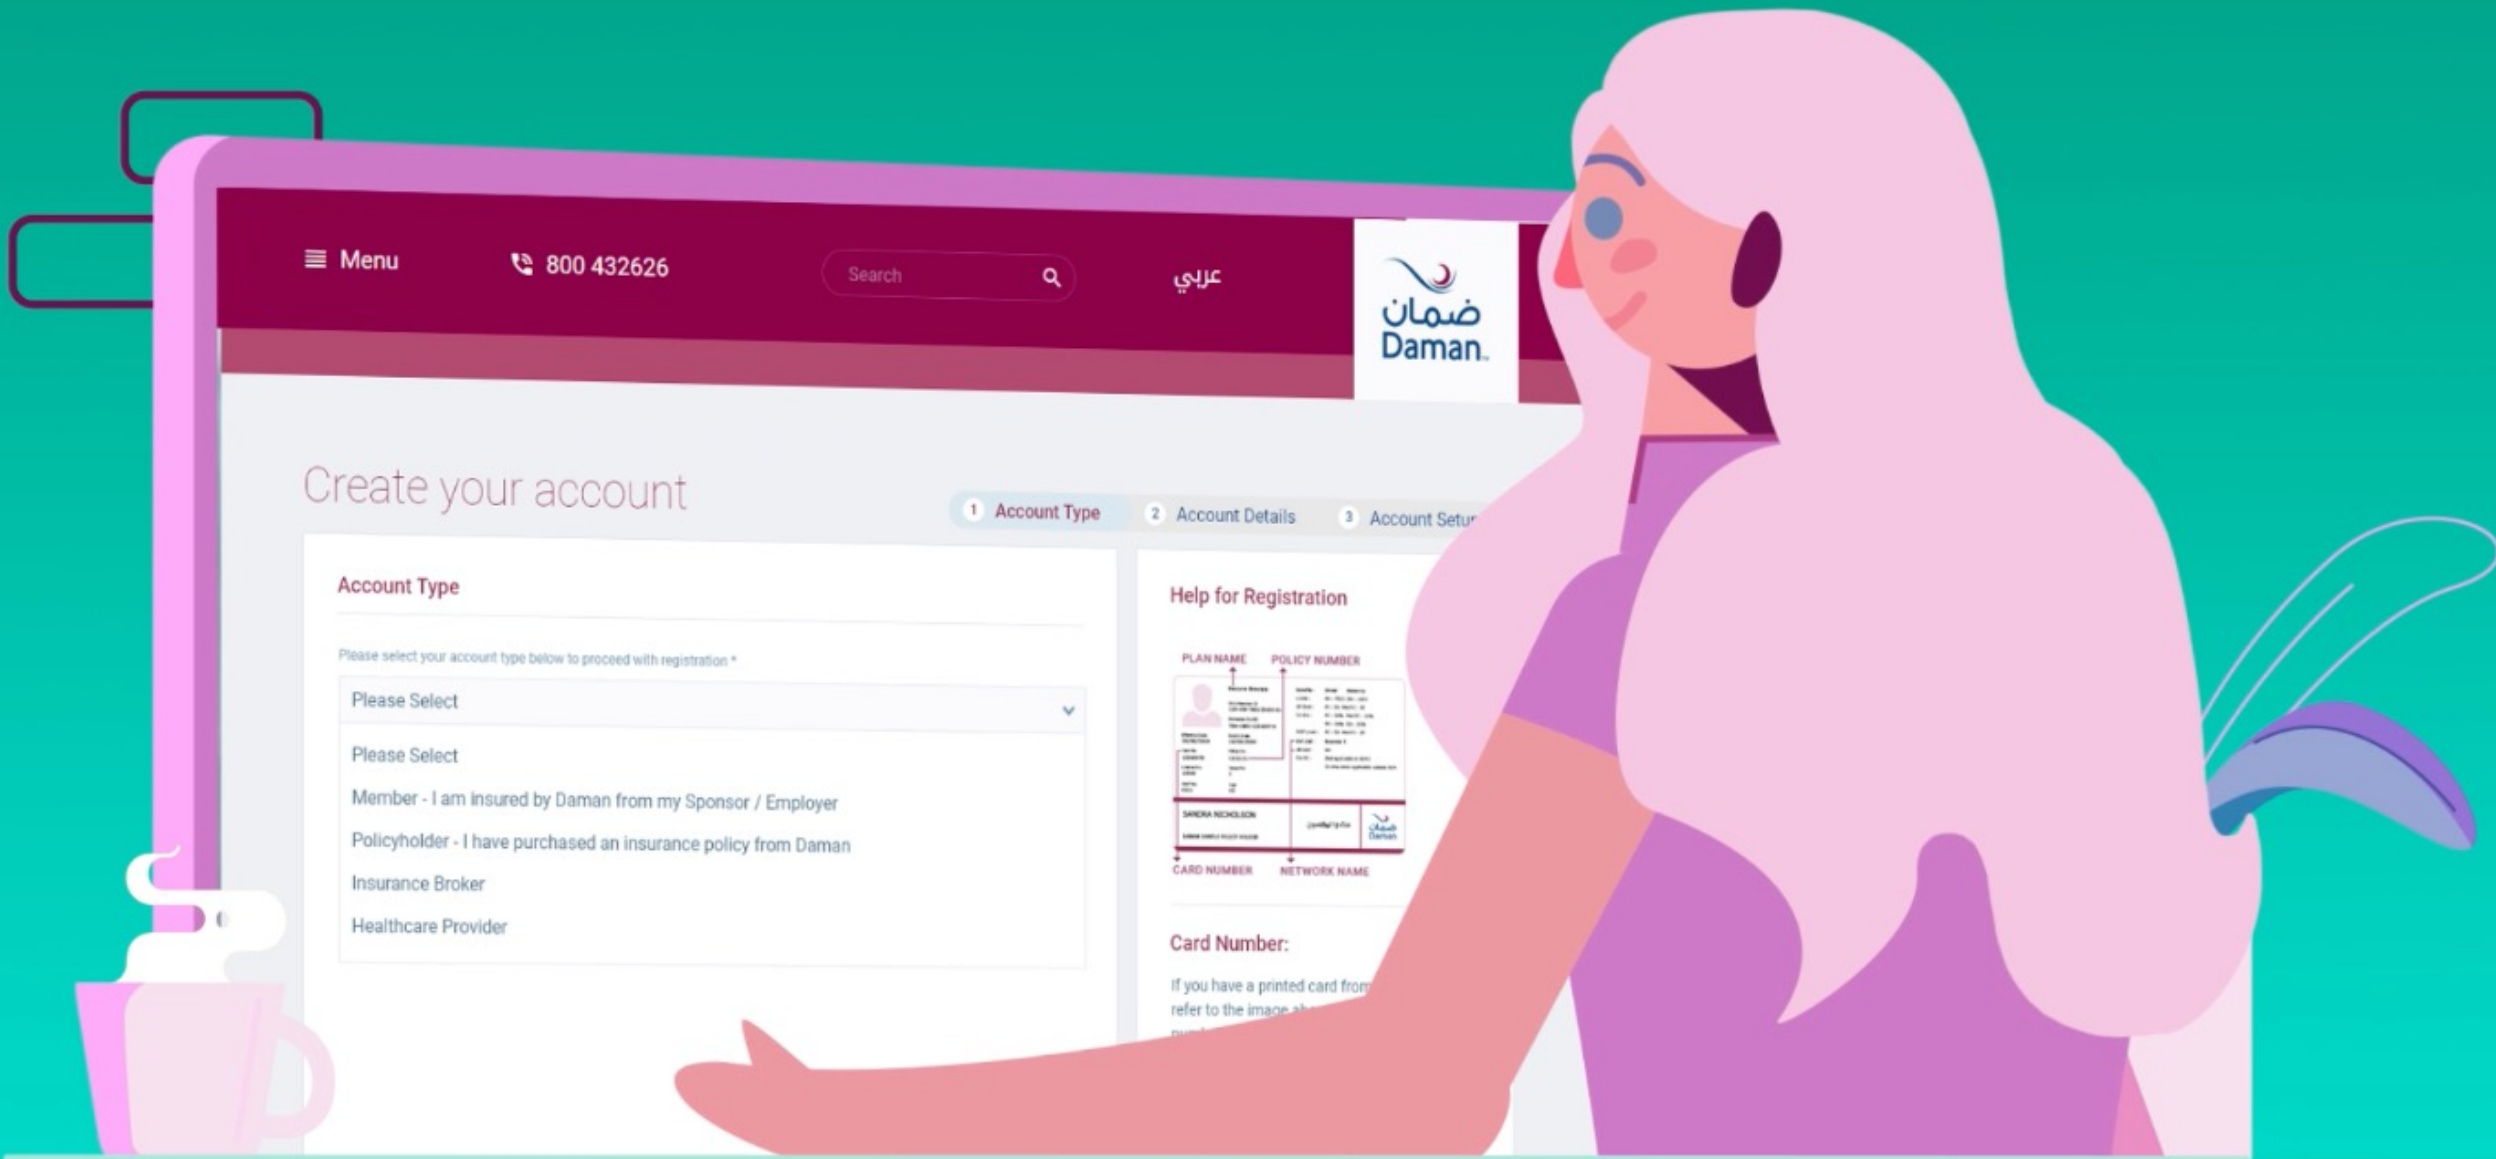

or by downloading the Daman app.

If it's through the website,  
you can directly sign in if you have a UAE Pass without having to register

If you don't have a UAE pass account, you can click on 'Sign in' to select your account type in order to proceed with your registration

## Easy, right?

Signing up through the Daman Mobile App is simple too!

If you have a UAE Pass account, you can login directly to our app without having to register

9:41

Sign up

1 2 3 4

Select method:

Emirates ID Insurance card

Emirates ID \*

784 - 1987 - 12

Date of Birth \*

dd/mm/yyyy

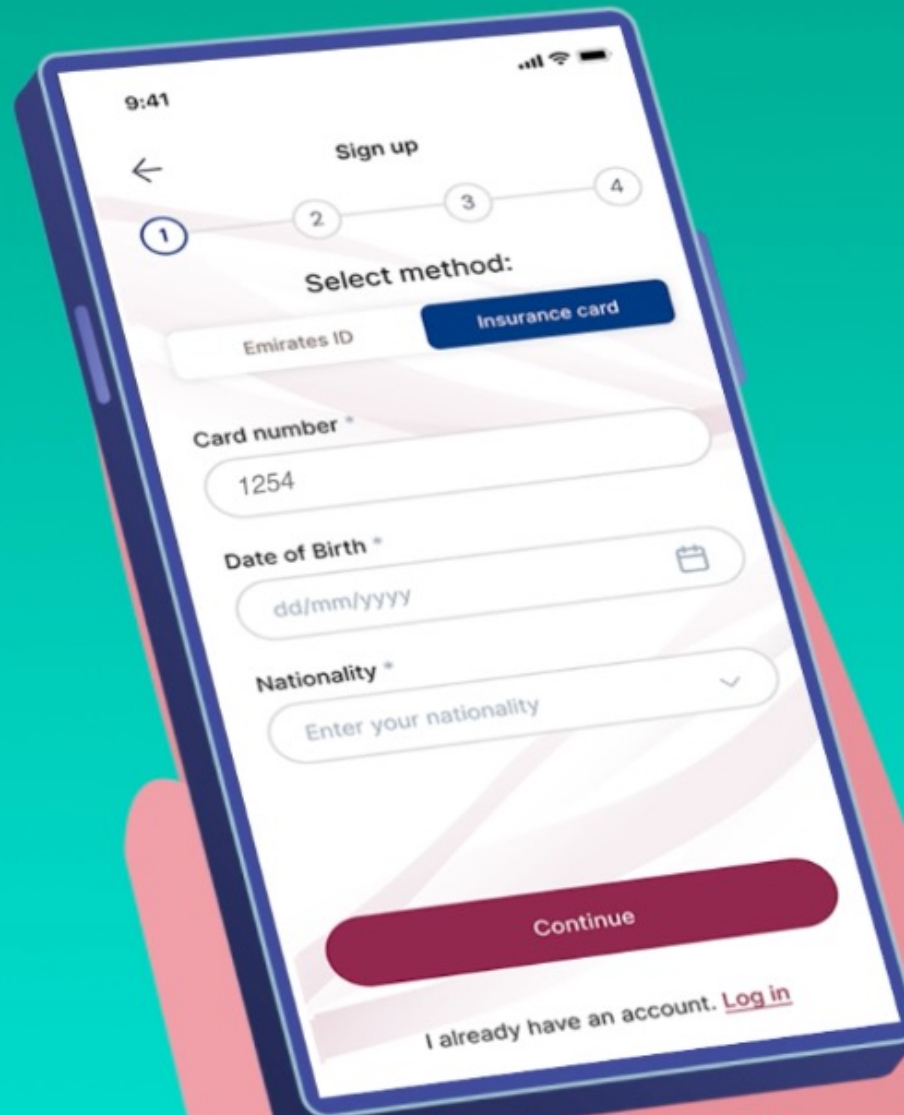

Nationality \*

Enter your nationality

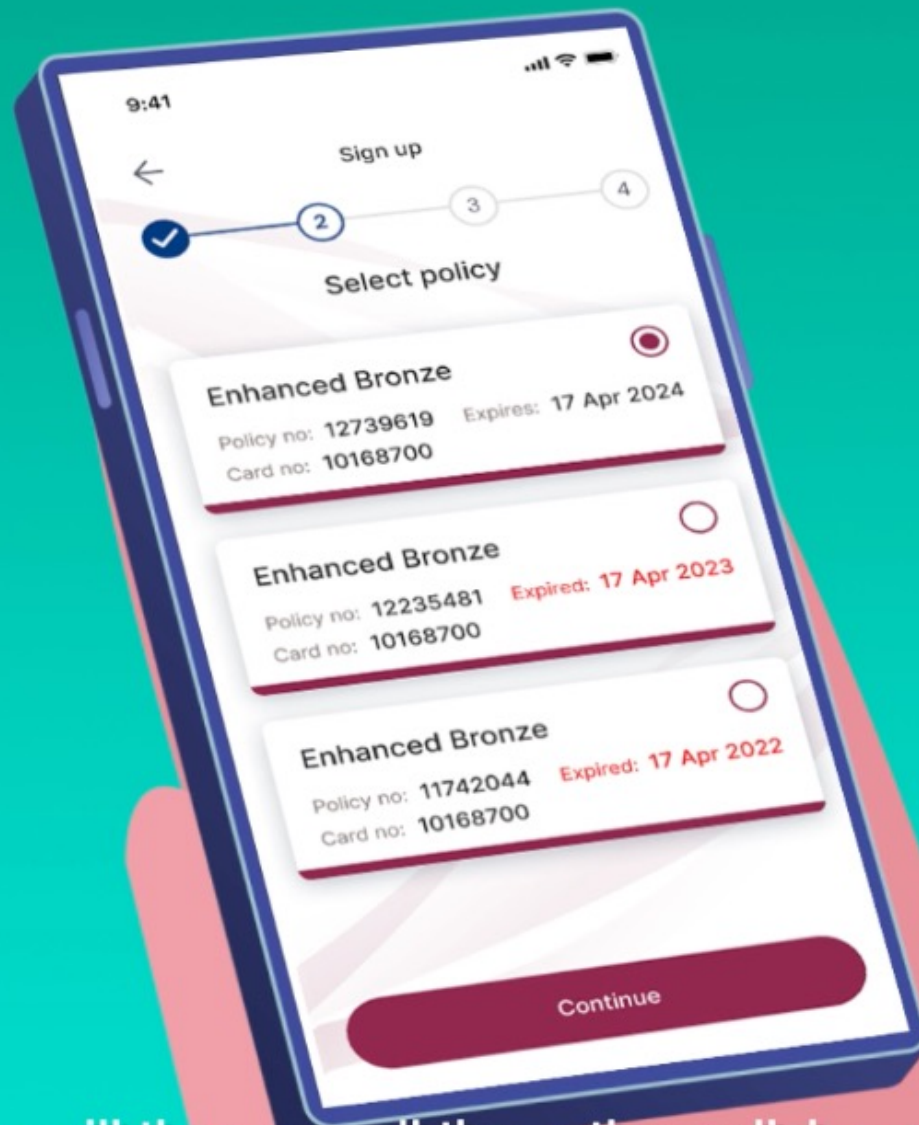

Continue

I already have an account. [Log in](#)

In case you don't, you can either enter your Emirates ID number

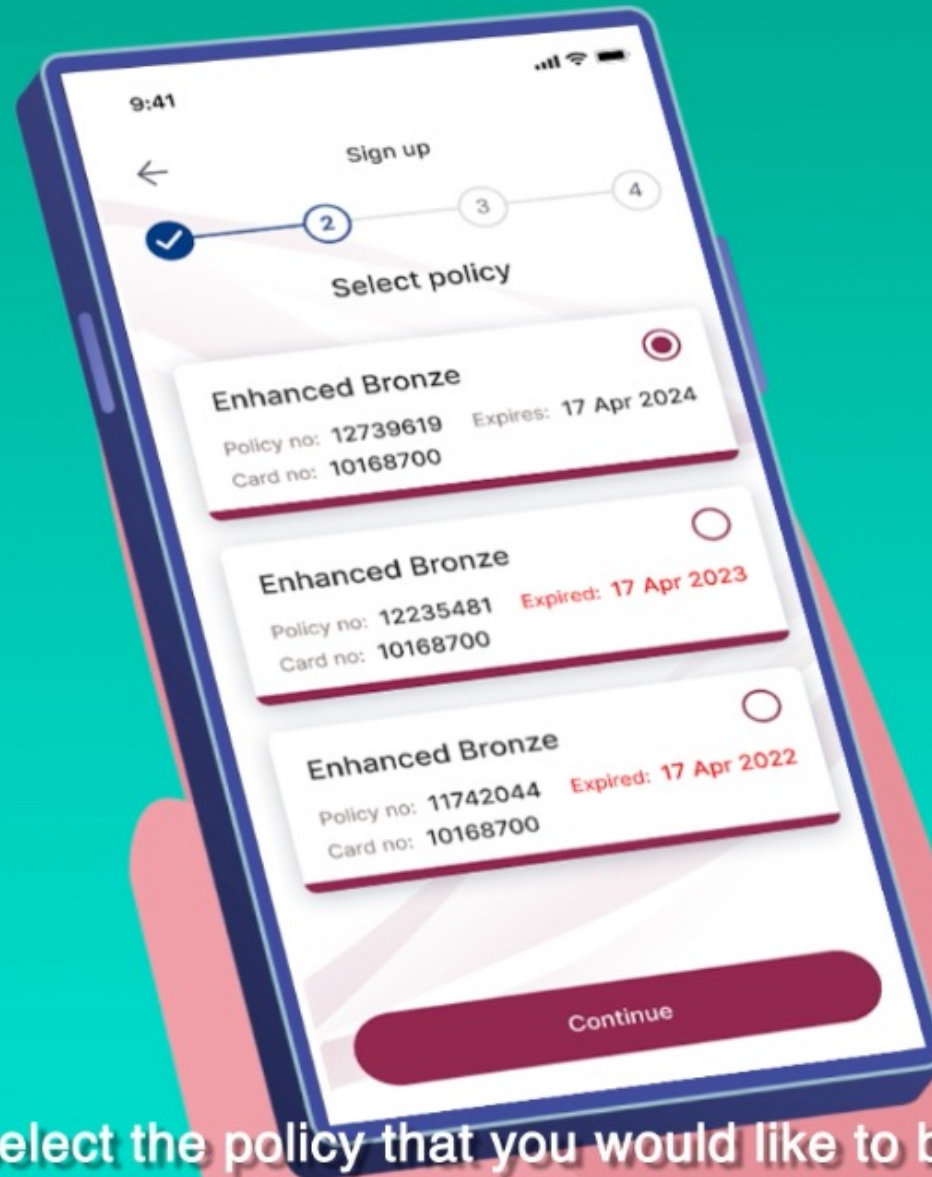

or your Insurance card number.

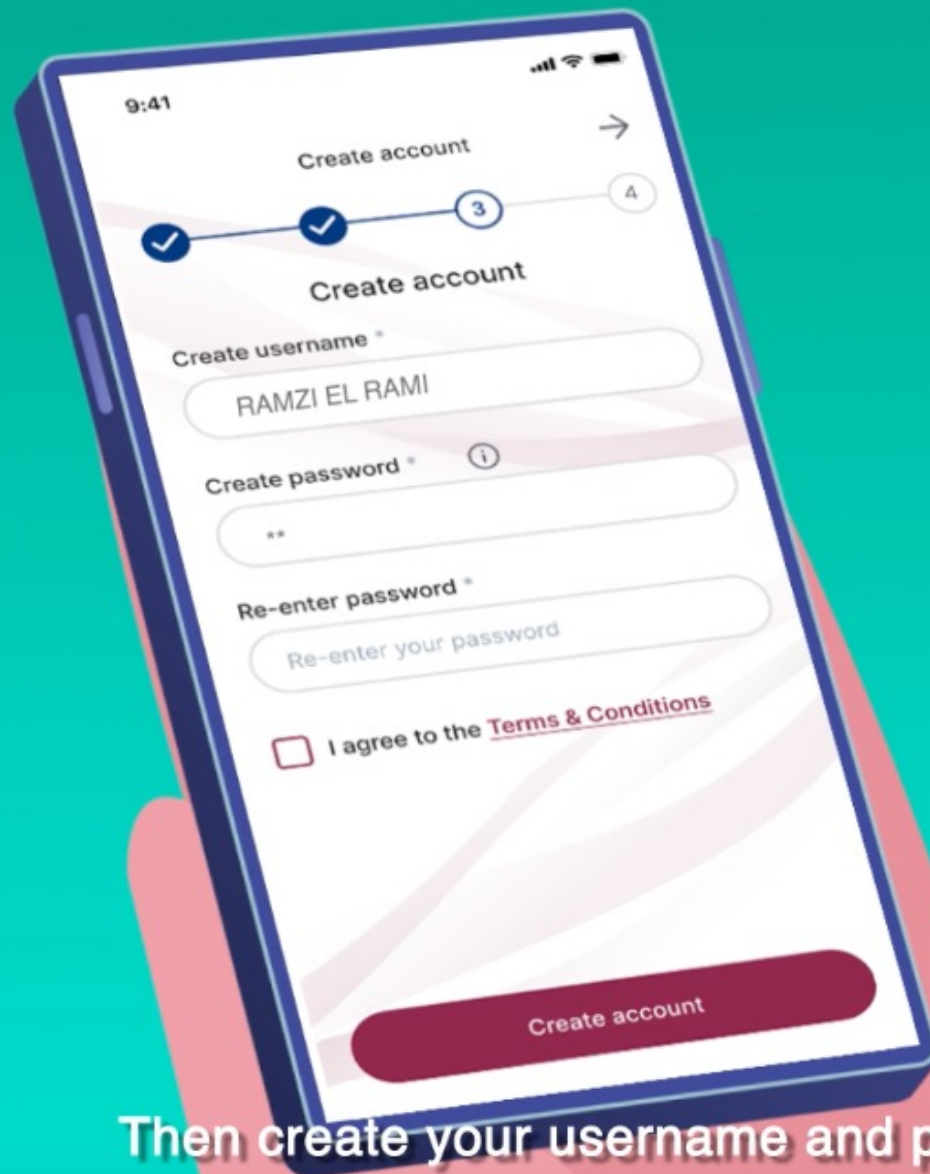

You will then see all the active policies under your name

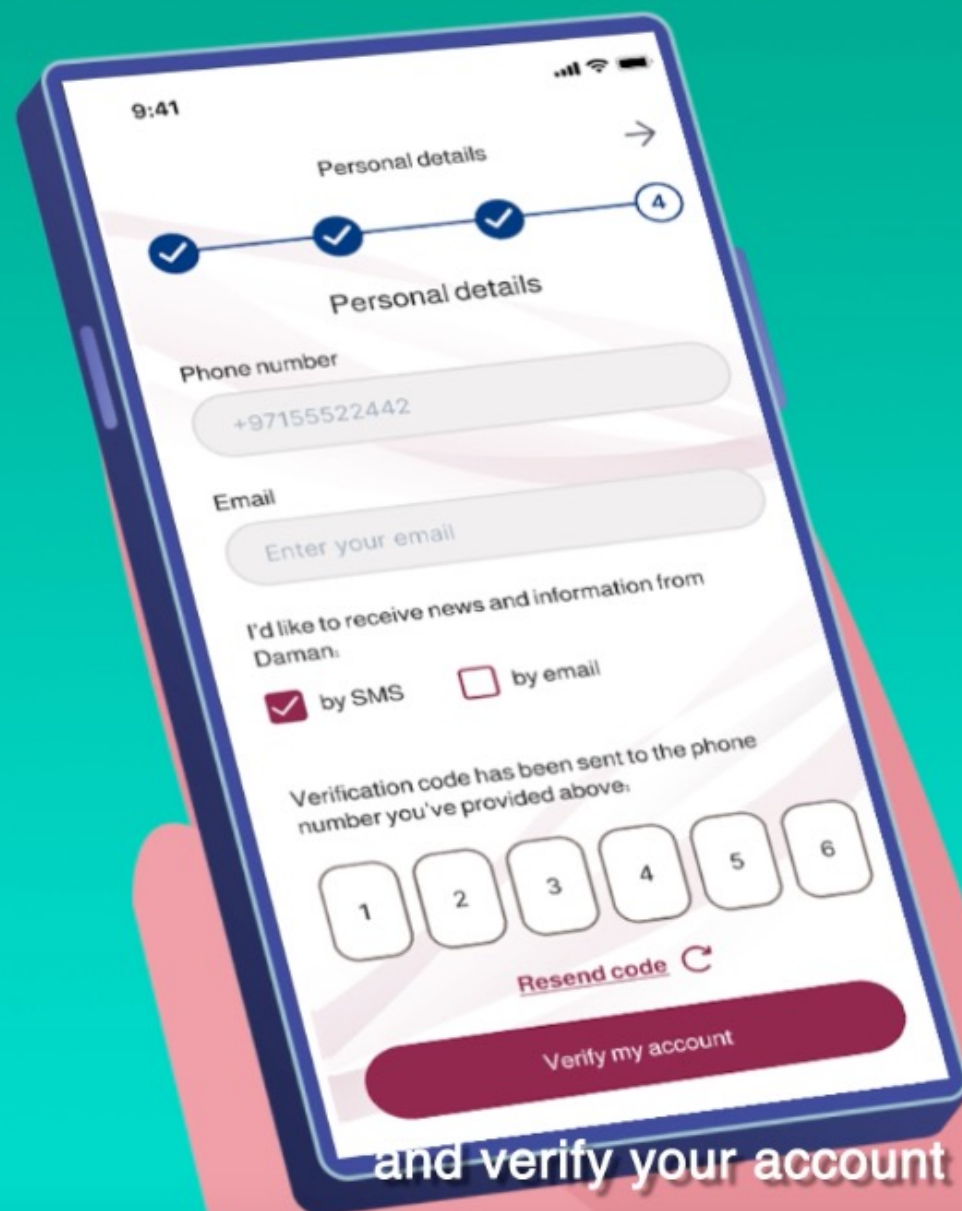

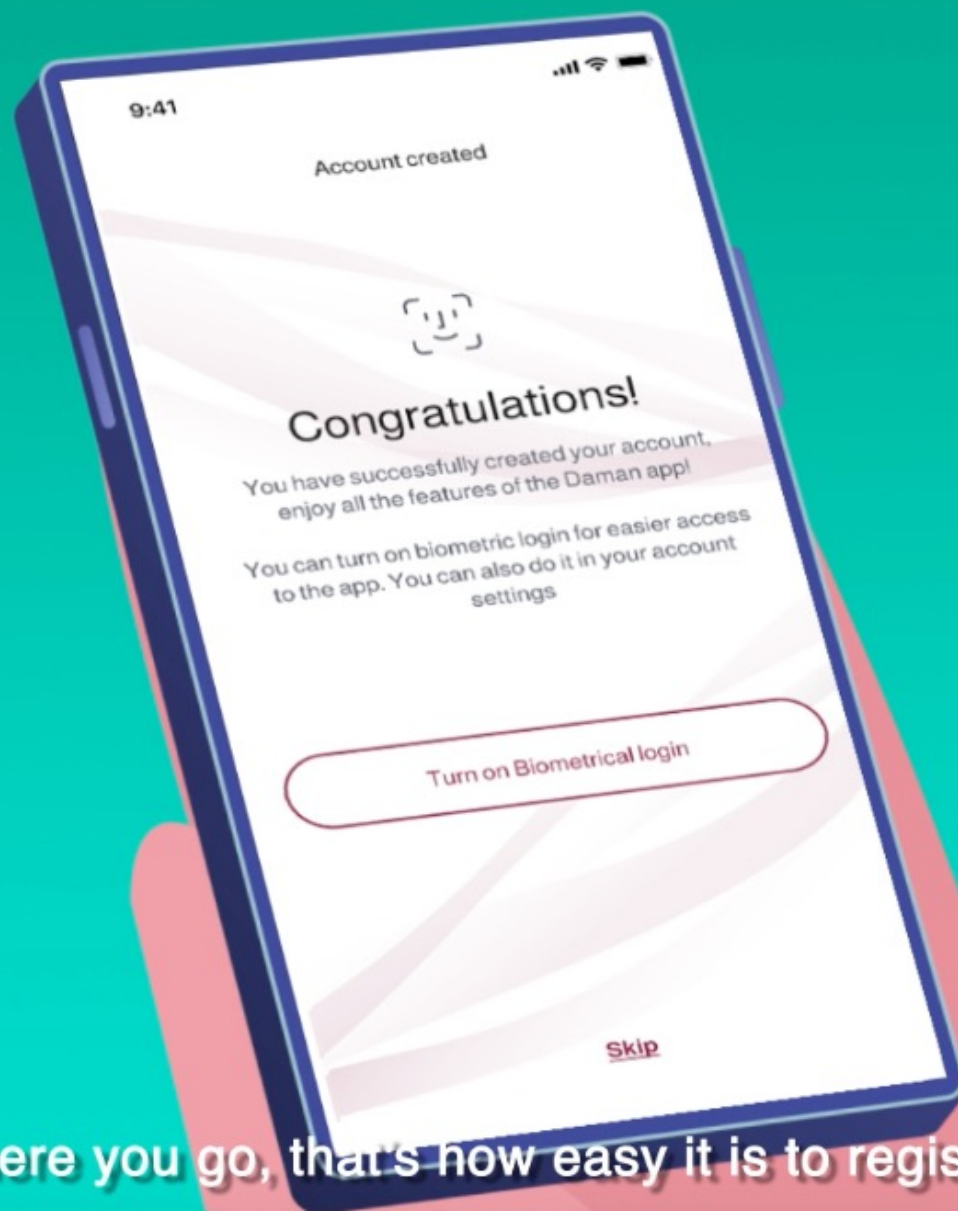

and then select the policy that you would like to be linked to your account.

Then create your username and password

and verify your account

There you go, that's how easy it is to register as a member.

You are now set to use our services wherever you go.
